Rockville, MD 20850

Dear Mr. Hall,

Congratulations! I am pleased to inform you that the City of Rockville's Department of Recreation and Parks has been selected to receive a **2005 Preservation Award** for the Dawson Farm Park Granary. The Awards Committee was unanimous in wishing to acknowledge this ingenious park pavilion, which incorporates quality design, utilitarian function, and preservation of local history. Project Manager Mark Kibiloski and his staff are to be commended for their outstanding work on this superb new recreation facility.

This marks the 26th year the Peerless has presented awards to recognize contributions to Rockville's architectural and cultural heritage. Since that time, more than 125 individuals, businesses, and organizations have been honored for preservation work, quality design and new construction, and educational programs, among other categories.

The Awards will be presented on **Monday, May 2** at Rockville City Hall during a televised meeting of the Mayor and Council. The reception begins at 6 pm. We would like to meet you there and then move on the Council chambers for the Awards Ceremony at 7. We look forward to seeing you then and offering our congratulations in person.

Sincerely,

Robert J. Wright
President
